

## This Week's D6 Family Theme: *Perseverance*

**D6** family  
*As a family, make lists of your strengths and weaknesses. Explain to your child that every person has things that are easy and difficult for him or her, but it is important that we not give up, even when something is hard. That is what it means to persevere. Fortunately, Jesus said He would help us in our weaknesses, to help us have perseverance! Encourage your child to pray, telling God how wonderful He is and thanking Him for helping you not to quit but to continue living for Him-to persevere in your faith.*
