

This Week's D6 Family Theme: Evangelism

God desires for everyone to know Him, and we have been given the wonderful opportunity to tell others about Him! One way of doing so is through the "Romans Road." Help your family memorize Romans 3:23, 6:23, 5:8, and 10:9. These verses illustrate our need for salvation, and show God's plan for knowing Him. Discuss the importance of evangelism with your family, brainstorm ways to share the gospel, then get involved in your community.

Happy Groundhogs Day

Groundhog Day, February 2nd, is a popular tradi-

tion in the United States. It is also a legend that traverses centuries, its origins clouded in the mists of time with ethnic cultures and animals awakening on specific dates. Myths such as this tie our present to the distant past when nature did, indeed, influence our lives. It is the day that the Groundhog comes out of his hole after a long winter sleep to look for his shadow.

If he sees it, he regards it as an omen of six more weeks of bad weather and returns to his hole.

If the day is cloudy and, hence, shadowless, he takes it as a sign of spring and stays above ground.

The groundhog tradition stems from similar beliefs associated with Candlemas Day and the days of early Christians in Europe, and for centuries the custom was to have the clergy bless candles and distribute them to the people. Even then, it marked a milestone in the winter and the weather that day was important.

The Roman legions, during the conquest of the northern country, supposedly brought this tradition to the Teutons, or Germans, who picked it up and concluded that if the sun made an appearance on Candlemas Day, an animal, the hedgehog, would cast a shadow, thus predicting six more weeks of bad weather, which they interpolated as the length of the "Second Winter."

Pennsylvania's earliest settlers were Germans and they found groundhogs to in profusion in many parts of the state. They determined that the groundhog, resembling the European hedgehog, was a most intelligent and sensible animal and therefore decided that if the sun did appear on February 2nd, so wise an animal as the groundhog would see its shadow and hurry back into its underground home for another six weeks of winter.

Hearing Problems ?

Do you have trouble hearing the speakers at church? We are considering purchasing headphones that would be wirelessly hooked to the sound board to assist in you being able to listen to the services. But we need feedback, If you would be interested in this program please let Preacher Jim know. If no one says they would like to have it, the church will not be buying it.
