

This Week's D6 Family Theme: Evangelism

D6 family
An easy way to evangelize is to build relationships in which you can share the love of Christ. Host a cookout as a family and invite people like your neighbors, friends, or fellow church members, but be sure to include families that you are unsure about their faith. Say a prayer over the food, talk individually with the families that attend, and encourage your child to share what he or she learned in Sunday school from their Adventure or Explorer's Guide with the other children.

A Prayer for Vacation

By Dolores Curran

Oh, God of Peace, invade our car and turn it into a haven of peace and quiet for just a little while. Give the children a little patience with one another and us a lot more patience with them. In the miles to go before we stop, help them realize their power to make each other happy or unhappy. Make them willing to share the windows, to stop touching each other, to stop asking when we'll get there. Help us to hold our tempers for just a few more miles. Amen.

Independence Hall, Philadelphia, Pa.

We pray that you and your family have a great Independence Day tomorrow. May God richly bless you as you reflect upon the freedoms He has bestowed upon us.
