

This Week's D6 Family Theme:

Encourage your family to not just learn about compassion, but to practice it as well. make a list of ministries that show compassion and bring relief to those who are less fortunate. Pray for these organizations and programs, and then pick one to get involved in. Many different ministries help people in many different and creative ways. Choose one that fits your family's personality and passion. Remind your family that, though it does not always come easily or naturally, being compassionate is following the commands of Christ.

The Path to Dream

The path to dream is paved with sacrifices and lined with determination.

And though it has many stumbling blocks along the way and may go in more than one direction, it is marked with faith.

It is traveled by belief and courage, persistence and hard work.

It is conquered with a willingness to face challenges and take chances, to fail and try again and again.

Along the way, you have to confront doubts, setbacks, and unfairness.

But when the path comes to an end. You will find that there is no greater joy than making your dream come true.
