

This Week's D6 Family Theme: Light of the World

The coming of Christ had been long expected. Many had been patiently waiting for the One who would finally bring true redemption and peace. When He came, he shone as a lone light in the darkness, a beacon of hope to those who saw Him and chose to believe. Light a candle, turn off the lights, and sit with your family. Spend time reflecting on the hope Christ not only to the Jews of that day, but to everyone and anyone who chooses to trust the light in the darkness and believe in Him.

Live Streaming of Services

All of our services are streaming live on the internet. They are also recorded and played back on occasions that we don't have church due to weather or other issues causing us to cancel our services. The camera only focuses on the pulpit area and the first 3 rows. If you don't want to be included on these recordings please avoid the area that the camera faces. If you have questions please see Pastor Jim.

For the Ladies

Has anyone told you lately how amazing you are? It's about time you heard it again. I hear you saying, "Who me?" I'm saying right back, "Yep, you." The one doing your thing, making your difference, being a glorious mess that God can use.

You...

getting back up when you fall down, trying again when it doesn't work out, doing the hard, the different, taking

those steps of faith.

You...

wonderfully made just like you are, and on your way to becoming all He made you to be.

I see you squirming in that chair, squinting a little at the screen and thinking, "That's for other women but I'm not so sure about me."

Believe it, receive it, it's true!

This is for YOU!

Just a reminder that Mother's day is next Sunday, May 11. God Bless You all.

Vacancy

If you would be interested in teaching the Wednesday evening teen class, please let Pastor Jim know.

Volunteers Needed

This past Wednesday we had a special business meeting to discuss the buyout for our church. We voted to accept the offer with the understanding that we may rescind our acceptance before closing if we so choose. In doing so we have afforded ourselves more time to search for available property that would meet our needs. This is where we need your help.

This Wednesday we will have a short meeting at 6:00pm for those who are interested in helping to make this as smooth a transition as possible, (locate property, secure church tables and pews, sound equipment, ect when the time comes). We need folks that are willing to take responsibility so that we are not depending on just a few to handle everything. This will be a stressful project, and we encourage all who are able to pitch in. We are one church united together to spread the gospel of Jesus Christ. Lets come together and help one another out during this time. May God Bless You.
