

This Week's D6 Family Theme: Omnipotence

Make a craft with your child to help him or her remember how powerful God really is. Gather together a piece of paper, crayons, and other decorations. Talk with your child about his or her biggest fears. List these on the paper and write, "God is more powerful than" in front of each fear. Also list your child's favorite athletes, animals, or celebrities so he or she will be reminded that God is greater than every thing and any person. Encourage your child to decorate the page and place it so it will be seen.

Autumn

It's a special time of the year. Evenings are getting cooler and the days are getting shorter. For many, this is a time of the year to get outdoors and enjoy the beauty of the mountains and their ever changing colors. God has given us the privilege of living in such a beautiful place on this earth. Take some time, and enjoy a drive or a hike through the forest this fall, and whether you go with a friend, a loved one, or by yourself, remember God is with you always. Be careful, the deer and other wildlife are busy getting ready for the winter, and will be more active.

Bulletin Information

If you have information for the church bulletin. Please see Bro Len Thompson or you may email it to lthompson@kilsythchurch.org.

Humility

What makes humility so desirable is the marvelous thing it does to us; it creates in us a capacity for the closest possible intimacy with God.
